# Farewell Message

Congratulations to the Southeastern Class of 2020. As the fifty-second graduating class, you join thousands of other alumni from Southeastern who understand and have benefited from vocational education.

You cross the stage with options for your future. Many of you are taking advantage of being college-ready and are furthering your education in pursuit of a career that requires additional coursework. Others are entering the workforce or the military with the skills necessary to make you successful. No matter what your direction, stay focused on your future and take advantage of the lessons and skills you have learned and obtained at our school.

Again, congratulations and well wishes,  
Luis G. Lopes, Ed.S.  
*Superintendent*

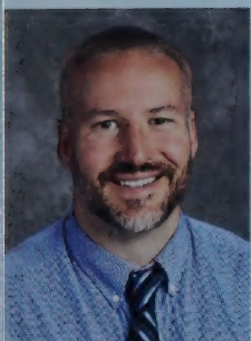

Class of 2020,

To say it has been an incredible journey is an understatement! I have had the privilege of watching your transformation from indecisive freshmen to young women and men with purpose, determination, and resilience. You have adapted and grown in ways I'm sure you never imagined possible.

As you move on to the next part of your journey, never forget to be true to yourself. When you make mistakes, learn from them. Dust yourself off and continue to march forward. Never forget that hard work, a kind heart, and self-reflection will make you better today than you were yesterday. I am very proud of you and wish you the best of luck in your future endeavors.

With love,  
Mrs. Weckesser
